

KS2 HUB

Curriculum Guide

Here is a short summary of the curriculum your child will be following this half term.
You can help by:

- Sharing a book with your child each day
- Helping your child with their learn by heart target and spellings.
- Speaking to your child about their work and day at school
- Making sure they have the right equipment for school
- Checking their homework diary each week

Reading	See year 4 curriculum guide	
Writing	See year 4 curriculum guide.	
Mathematics	We will begin the term by looking at missing number problems with a focus on understanding how to use inverse operations. We will then be looking at fractions for the bulk of the term, introducing the idea of $\frac{1}{3}$ and equivalent fractions. We will finish the half term by looking at 3D shapes and how to describe their properties.	Learn By Heart Targets: Check Homework for the most recently given LBH.

Group:	KS2 Hub	Term:	Summer 1 2023
