

# KS2 HUB

## Curriculum Guide

Here is a short summary of the curriculum your child will be following this half term.  
You can help by:

- Sharing a book with your child each day
- Helping your child with their learn by heart target and spellings.
- Speaking to your child about their work and day at school
- Making sure they have the right equipment for school
- Checking their homework diary each week

Reading	See year 4 curriculum guide	
Writing	See year 4 curriculum guide.	
Mathematics	During weeks 1-3 we will be recapping measurements, then building on this with children being able to identify the most appropriate way to measure something as well as comparing measurements. We will then have a week working on missing number problems. Week 5-6 we will be recapping their previous work on money and building on it by adding coins to make a specific amount. During the last week we will look at adding three one digit numbers.	<b>Learn By Heart Targets:</b> Check Homework for the most recently given LBH.

Group:	KS2 Hub	Term:	Summer 2 2023
