

6th February 2024

Dear Parents, Guardians, Carers and Families

We would like to inform you that children in Year 4 and staff have arranged to go in small groups to visit Britannia Care Home on Thorn Street as part of the Linking Project. We will be giving a presentation to the residents and also playing games with the them. This visit will take place during school time from now until the end of Year 4.

Thank you for your support.

Yours sincerely

Mrs K A Swales
Headteacher
