

21st March 2024

Dear Parents, Carers, Guardians and Families

Thank you for your support during Mock SATs this week. Thank you for helping your children to arrive at school at 8:15am. This has really helped the week run smoothly. We are all feeling proud of every child and how hard they have worked.

On Tuesday 16<sup>th</sup> April, we will be having another parents' meeting at 3:10pm in the main hall. At this time, you will be able to collect information about how your child has done in their Mock SATs, how to interpret this information and if they are meeting their personal targets. Refreshments will be available.

Tomorrow, your child will be given some home learning to complete over the Easter holidays. They will have four short booklets to complete: one for arithmetic, one for reasoning, one for reading and one for grammar, punctuation and spelling. The activities have been picked carefully to help children revise key areas of learning which may be tested in the SATs in May.

Please encourage your child to complete these tasks in small chunks (maybe 10 to 15 minutes per day) regularly throughout the holiday. This will allow them to keep important skills fresh in their minds while they are away from school. The homework will be checked on Monday 8<sup>th</sup> April, which is the first day back at school.

All year 6 children have worked incredibly hard this week and we hope that they will have a lovely holiday and a restful break.

Many thanks for your support,

Miss Ashcroft, Miss Kalia and Miss Watling
