

Dr Bike Maintenance Checks- Get your bike fixed for **FREE**

Dr Bike is a free safety check intended to make your bike roadworthy. Our JU:MP Bicycle Mechanics will check the bike and carry out minor repairs and adjustments to enable safer riding.

Repairs include;

Pumping up tyres and puncture repair

Replacement of minor parts, brake/gear cables, brake blocks etc (if required)

Unfortunately we can't replace major parts; gear mechanisms, Brake levers, wheels etc

The Dr Bike Workshop will take place at [Girlington Primary School](#)- Bring bike to staff car park on [Girlington Rd](#)

Date: [Monday May 20th 2024](#)

Time: [8.30am bike drop off. Pick up 3 – 4pm](#)

What to do if you would like a **FREE Dr Bike Check:**

1. On the Dr Bike day bring your bike to school preferably with your parent/carer, to [staff car park](#) & explain any problems with your bike.
2. Go to school and enjoy your day.
3. At the end of school come and collect your bike. If there is a sheet attached this will detail any recommendations about any more mechanical work that needs to be carried out by a bike shop.
4. Please note that JU:MP bike mechanics will be with the bikes until 4pm. Pick up time is between 3 – 4pm

Dr Bike will endeavour to get through as many of the bikes on the day as possible and places will be allocated on a first come first served basis.
