Re: SATs

Dear Parents, Carers, Guardians & Families

Firstly, we would like to thank you for your support recently by helping your child to come to school on time and going to bed on time. It is an important time for them and this will have helped them enormously.

As you are aware next week all children in Year 6 will be taking their SATs.

We would like all pupils to be in school by 8.15am where they will be able to have breakfast in the small hall and a chat with their friends and teachers before the tests start. Breakfast will stop being served at 8.30am. Children should enter school through the main school entrance and register at the office.

Thank you for your continued support during next week.

Yours sincerely

Mrs K Swales
Headteacher
