

Education drop-in

for support with school attendance

- Is your child struggling to attend school regularly?
- Or does your child's school have concerns?

Come along to this new drop-in session, for non-judgmental support and advice

For parents and carers of children aged 5 to 16

- Safe space to discuss worries or seek advice
- Put families in touch with services that provide support
- Impartial link to support conversation with your child's school
- Connect families with an attendance support worker

Drop in -
no need to book

Professionals also
welcome to drop in
for advice and
information
