

Is your baby
aged over one?

Bin the Bottle!

Did you
know?

Using a bottle could
harm your child's
teeth after they're
one year old.

Bin the bottle and
use a feeder cup
instead.

Get a free feeder cup and
toothbrushing pack at:

There will also be oral health improvement staff on-hand to offer expert advice and a dentist to offer free dental checks for toddlers who come along with their parents.
