

Dear Parents, Guardians, Carers and Families

Is your child turning **2** soon?

You could be eligible for

15 hours free nursery place –

this applies to working parents or families on benefits.

Research shows that children learn more in the first five years of life than at any other time, this is when the foundations of their future learning begin.

Attendance at a high-quality early learning and childcare setting supports this.

Your child will begin to learn many different skills,

to take turns, share,

help other children,

make friends and

do things for themselves.

Your child will take part in lots of different activities including indoor and outdoor play.

If you think you might be eligible, or would like further information, please contact the school office, or click the following link
